NITRILE GLOVES (Powder Free) Pk of 100 AL-CMY70

Code: AL-CMY70 HSN: 9027 GST: 18% Brand: AVAIN LABS

AVAIN LABS® NITRILE GLOVES (Powder Free) Pk of 100 AL-CMY70

The AVAIN LABS® Nitrile Gloves (Powder Free) – Pack of 100 are premium-quality disposable examination and laboratory gloves designed to provide superior protection, comfort, and dexterity during scientific, medical, industrial, and laboratory procedures. Manufactured from high-grade nitrile material, these gloves offer excellent resistance to chemicals, punctures, oils, and contaminants, making them a reliable choice for professional and everyday use.

Being powder-free, these gloves help reduce the risk of skin irritation and contamination, ensuring a clean and hygienic working environment. Their flexible and comfortable fit allows for precise handling of instruments, samples, and equipment while maintaining high tactile sensitivity.

Key Features:

- Premium AVAIN LABS® Nitrile Gloves (Powder Free)
- Pack of 100 disposable gloves
- Made from high-quality nitrile material
- Powder-free design for enhanced hygiene and comfort
- Excellent resistance to chemicals, oils, and punctures
- Comfortable fit with superior flexibility and dexterity
- Latex-free material helps reduce allergy concerns
- Suitable for single-use applications
- Durable and tear-resistant construction
- Ideal for laboratory, medical, industrial, and cleaning tasks

Applications:

Perfect for use in laboratories, hospitals, clinics, pharmaceutical industries, chemical handling, food processing, research facilities, educational institutions, manufacturing units, and general hygiene applications.

Why Choose AVAIN LABS® Nitrile Gloves?

- Reliable protection against contamination and exposure
- Powder-free and latex-free for improved user comfort
- Excellent grip and tactile sensitivity for precision work
- Strong, durable, and resistant to punctures
- Trusted AVAIN LABS® quality for professional environments
