Pneumatic Semi-automatic Flat labeling machine AL-MT60

Code: AL-MT60 GST: 18% Brand: AVAIN LABS

AVAIN LABS® Pneumatic Semi-automatic Flat labeling machine AL-MT60

The AVAIN LABS® Pneumatic Semi-Automatic Flat Labeling Machine AL-MT60 is a precision-engineered labeling solution designed for accurate and efficient application of self-adhesive labels on flat surfaces. Ideal for industries such as pharmaceuticals, cosmetics, food & beverage, chemicals, electronics, and FMCG, this machine delivers consistent labeling performance with minimal manual effort.

Built with advanced pneumatic technology and a user-friendly operating system, the AL-MT60 ensures smooth, wrinkle-free, and bubble-free label application on products like boxes, bottles, pouches, cartons, lids, trays, and flat containers. Its compact design, durable construction, and high labeling accuracy make it an excellent choice for small to medium-scale production units looking to improve productivity and packaging quality.

The machine is manufactured using premium-grade materials for long-lasting performance and low maintenance operation. With adjustable labeling speed and easy setup, the AVAIN LABS® AL-MT60 helps businesses achieve professional packaging standards while reducing labor costs and increasing operational efficiency.

Key Features:

- High-precision flat surface labeling
- Pneumatic semi-automatic operation
- Suitable for self-adhesive sticker labels
- Bubble-free and wrinkle-free labeling
- Compact and durable design
- Easy operation and low maintenance
- Adjustable labeling position and speed
- High labeling accuracy and consistency
- Energy-efficient performance
- Ideal for industrial and commercial packaging applications

Applications:

- Pharmaceutical packaging
- Cosmetic product labeling
- Food and beverage containers
- Chemical and lubricant packaging
- Cartons, boxes, pouches, and trays
- Electronic and industrial products

The AVAIN LABS® Pneumatic Semi-Automatic Flat Labeling Machine AL-MT60 is the ideal solution for businesses seeking reliable, fast, and accurate flat labeling performance with superior packaging quality.

Specifications	
Feature	Specification
Model No	AL-MT60
Power	200W
Voltage	220V – 50Hz
Labeling Speed	20-40 pcs/min
Precision	±1
Labeling Roll Diameter	<=?200mm
Inner Diameter of Roll	?75
Max Label Size	20-110 x 20-60mm
Machine Size	300 x 200 x 400mm
Machine Weight	32Kg

Available models (3)
